The logo for Harrisonburg Cohousing features the word "Harrisonburg" in a yellow, sans-serif font. Above the letters "n", "o", and "u" are three simple line-art icons of houses. Below "Harrisonburg" is the word "COHOUSING" in a larger, bold, yellow font with a green, textured outline.

Let's put the **neighbor** back in **neighborhood**!

Celebrate with Harrisonburg Cohousing!

In case you haven't heard, we have signed an option on a piece of land where we plan to live! If you have ever considered joining a cohousing community, NOW IS THE TIME to determine if you are able to join us in developing a community in Harrisonburg. We are looking for about 20 families to commit to purchasing a home in our community. Visit our [website](#) for more information about the benefits of cohousing.

It was so good to see so many new prospective neighbors at our monthly potluck this week! If you missed us, we'd love to greet you at one of our upcoming events listed below.

Celebration & Open "House"

THIS Saturday, April 16, 11:00-2:00

Westover Park, Shelter #4

We're having a party to celebrate our progress and introduce everyone to our site! Eat free food, chat, do some folk dancing, and go on a walk to our site. We'll have kids activities too, so bring the family!

If you are interested in cohousing and support the idea (whether or not you think you'll eventually be a resident) we'd love to have you there! Come and go as you need between 11-2.

- Site walks will be at 11:45 and 1:15.
- Folk dancing at 11:30 & 1:30 with a dance instructor teaching us a few easy dances.
