Harrisonburg COHOUSING

Let's put the **neighbor** back in **neighborhood!**

Time for an update!

Since our last newsletter, we're excited to be exploring several new sites within the city limits! A big thanks to those who have helped guide and narrow our search. We hope to move forward with a new plot of land in the near future, so now's the time to get involved if you'd like to be a part of this conversation. Join us for potluck meals, every 2nd Monday or one of the Discover Cohousing Presentations (see below). You may find our new brochures are available now around Harrisonburg. Pick one up and share it with a friend who might be interested. Thank you for spreading our news!

Building Resilient, Sustainable Communities

Several of the Harrisonburg Cohousing members, as well as our architect, are looking forward to attending the National Cohousing Conference in May, in Nashville, TN. If you know of others who are interested in going for this weekend of learning, please let us know! Visit www.cohousing.org/2017 for more information.

We want to welcome Nancy Gunden, our newest Equity member! Nancy is recently retired as Director of Human Resources at VMRC. She enjoys gardening, art, and reading and has already been a big help in our group search for land.

Back in December, Cohousing "took to the ice" and tried our hand (or feet!) at ice skating in Bridgewater. We had a fun time laughing, skating, and eating a meal together to celebrate the year together!

Harrisonburg Cohousing is looking for ways to volunteer as a group in the community. Please let us know if you hear of opportunities that may be good for our group!
